Dear Sean,

On behalf of the ReelAbilities Film Festival Of Greater Washington's organizing committee, we would like to thank you for your support. Your support will allow us to raise awareness and foster a greater understanding of the lives, stories, and artistic expressions of people with disabilities. It is clear that your commitment to highlighting such diverse and important narratives has a profound impact on audiences and communities alike.

Your dedication to inclusivity and the promotion of authentic voices within the disability community is truly inspiring. Through our films, events, and programming, your support will allow us to create a space where individuals can engage with new perspectives, spark conversations, and build empathy toward a more inclusive world.

I want to personally thank you for supporting a platform where powerful stories can be told, shared, and celebrated. I look forward to working with you in the future and continuing to champion the message of equality, representation, and empowerment that you so passionately uphold. Once again, thank you for your invaluable contribution to the cultural landscape and for bringing awareness to such an important cause.

Take Care,

Paul Marengo
